CHRISTMAS COOKIES FOR CHARITY

Ellis, Louis's little brother was born with congenital heart disease. He had successful open heart surgery at 10 days old and was cared for by amazing doctors and nurses at Evelina Children's Hospital in London. He is now a very healthy baby boy.

The hospital has its own charity called ECHO who supports families with heart children. ECHO helped Andrea and Steve in those difficult times and they would like to give something back.

Andrea will be baking her traditional Slovak Christmas cookies and will be selling them at our Christmas party on Wednesday 21st December.

For more information about the event, ECHO and Ellis and for any donations please go to

Thank you.
