

Admissions Policy and Procedure

It is our intention to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible.
- We arrange our waiting list on a first come first served basis. In addition our policy may take into account the following:
 - Siblings already attending the setting.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our setting and its practices in terms that make it clear that it welcomes fathers and mothers, other relations and other carers, including childminders.
- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, and ethnicity or from English being a newly acquired additional language.
- We describe our setting and its practices in terms of how it enables children and/or parents/guardians with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.

We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.

This policy was revised at a meeting during the month of January 2019 Kerry Allen (Nursery Manager) and Naomi Washer (Deputy Nursery Manager) were present.

(Policy and procedure will be revised again during the month of January 2020 spring term)
