

Monty's Daycare Parental Involvement Policy and procedure

We believe that children benefit most from early year's education and care when parents and settings work together in partnership.

Our aim is to support parents as their children's first and most important educators by involving them in their children's education and in the full life of the setting. We also aim to support parents in their own continuing education and personal development.

Some parents are less well represented in early year's settings; these include fathers, parents who live apart from their children but who still play a part in their lives as well as working parents. In carrying out the following procedures, we will ensure all parents are included.

When we refer to 'parents' we mean both mothers and fathers; these include both birth parents as well as step-parents and parents who do not live with their children, but have contact with them and play a part in their lives. 'Parents' also includes same sex parents as well as foster parents.

'Parental responsibility' is all the rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his property.

Procedures

- We have a means to ensure all parents are included – that may mean we have different strategies for involving fathers or parents who work or live apart from their children.
- We consult with all parents to find out what works best for them.
- We ensure effective ongoing dialogue with parents to improve our knowledge of the needs of their children and to support their families.
- We inform all parents about how the setting is run and its policies through access to written information and through regular informal communication. We check to ensure parents understand the information that is given to them.
- We encourage and support parents to play an active part in the governance and management of the setting.
- We inform all parents on a regular basis about their children's progress.

- We involve parents in the shared record keeping about their children - either formally or informally - and ensure parents have access to their children's Learning Journals.
- We provide opportunities for parents to contribute their own skills, knowledge and interests to the activities of the setting.
- We endeavour to arrange meetings so that everyone is included.
- We hold meetings at the nursery.
- We welcome the contributions of parents, in whatever form these may take.
- We inform all parents of the systems for registering queries, complaints or suggestions and check to ensure these are understood. All parents have access to our written complaints procedure.
- We provide opportunities for parents to learn about the curriculum offered in the setting and about young children's learning, in the setting and at home.

In compliance with the Welfare Requirements, the following documentation is in place:

- Admissions policy.
- Complaints procedure.
- Record of complaints.
- Developmental records of children.
