Nursery Room

This term we have been very involved in all the different messy play activities, such as noodles, pasta and creating a farm yard. Next term we will be looking at Easter and Spring activities.

Toddler Room

We have been looking at different types of animals and where they live as well as the role of vets. Next term we will be looking at different bugs and making homes for them as well as going on a bug hunt in the garden.

Kindergarten Room

We have enjoyed activities for Chinese New Year including making our own stir fry. We are continuing to add to our song sack which the child love to choose from. Next term we will be looking at plating and bug homes in the garden.

Preschool Room

We have thoroughly enjoyed looking at different ways of mark making this term. We have also been undertaking lots of Chinese New Year activities. Moving into the second part of the spring term we will be looking at growth and decay while we build on our wildlife garden.
