

MONTY'S NEWSLETTER

Autumn Term – November 2020

Monty's Updates

Firstly we would like to thank you again for your continued support through this difficult time.

We would like to welcome Rosie, Woody and Sophie to the Monty's team!

Mini will be moving into our Inventors room with Amy, along with the new additions of Sophie and Rosie. Woody will be working alongside Emma, Sami and Nicki in our Discoverers room!

We are extremely grateful for all of the donations we have kindly received for the local food and hygiene banks!

We would like to thank you for your continued support. We would like to take this opportunity to let you know that during our closure staff that were not affected have given the rooms an additional deep cleaning ready for the children's return on Monday 7th December 2020.

Children's Corner

Inventors

Over the past month our inventor's room has thoroughly enjoyed exploring their celebrations topic! The children have been learning about celebrations from around the world and why they are so important.

The children have had lots of WOW moments throughout this topic, for example, sparklers on bonfire night, making and trying their homemade curry and of course celebrating Amy's birthday with a party!

Discoverers

The Discoverers room have thoroughly enjoyed exploring their autumn and celebrations topics. Throughout both of these topics they have been busy engaging in lots of tuff trays! One of their particular favourites was a Halloween tuff tray with lots of spiders, jelly and frozen hands with spiders in. They used their characteristics of effective learning to find different ways of getting them out!

Both the Inventors and Discoverers next topic will be Christmas and we have lots of Christmassy fun planned for the children to explore!

Christmas 2020

Unfortunately due to current Covid19 restrictions we have made the difficult decision to cancel our usual Christmas party and nativity whereby we invite the parents in.

We will be providing the children with the opportunity to have a Christmas party in their rooms during their sessions. We will let you know more details shortly.

Policy of the Month

Our policy of the month is; **Behaviour Learning Policy**, please ensure these procedures are being adhered to for the health, safety and well-being of all children attending.
